## § 302.315 Information to be requested from carrier.

With respect to the rate for the future period, the carrier will be requested to submit detailed estimates as to traffic, revenues and expenses by appropriate periods and the investment which will be required to perform the operations for a full future year. Full and adequate support shall be presented for all estimates, particularly where such estimates deviate materially from the carrier's past experience. With respect to the rate for a past period, essentially the same procedure shall be followed. Other information or data likewise may be requested by the DOT employees. All data submitted by the carrier shall be certified by a responsible officer.

## § 302.316 DOT analysis of data for submission of answers thereto.

After a careful analysis of these data, the DOT employees will, in most cases, send the carrier what might be termed a statement of exceptions showing areas of differences. Where practicable, the carrier may submit its answer to these exceptions. Conferences will then be scheduled to work out a clear understanding and resolution of the issues and facts from the standpoint of sound ratemaking principles.

<sup>&</sup>lt;sup>3</sup> Restrictions on disclosure of confidential information and dealing in air carrier securities are imposed upon the DOT employees pursuant to applicable law.
